Speaker    Trainer    Facilitator    Coach    Consultant

## UNPARALLELED EXPERIENCE

Lesley Parrott offers an unequalled blend of podium flair, training credentials and years of experience in the corporate boardroom. Her inordinate respect for people and astute understanding of inspiring and nurturing talent has hugely benefited teams and organizations.

## FROM THE BOAT TO THE BOARDROOM

As an eighteen-year old fresh from Scotland, Lesley gained renown for her passion, tenacity and ability to understand and motivate people – she rose rapidly to the height of her profession, holding executive level positions with Canada's top advertising agencies and eventually became Senior Vice-President, Director Learning & Development at MacLaren McCann.

Lesley is a keynote speaker and delivers learning and development programs in communication effectiveness, team building, presentaion skills, creative problem solving and broadcast production management. She also works with individuals who want to maximize potential and manage change in their lives. An associate of Insights Learning and Development, Lesley delivers the worldwide organization's Discovery System™.
